Community Action Meeting: Orient Methodist Church

Saturday, February 18th, 10am
at the Orient Methodist Church

The Orient Methodist Church and Hallelujah Park have been cornerstones of our community for more than 180 years.

The Church needs to sell this property within months.

In response to requests from our community, the Oysterponds Historical Society is working to preserve this historic site and open space.

***Should the church become a
community resource
or be sold as a private home?***

Church leaders have been working with us, but we have a
limited time to act.

We need to hear your VOICE

Questions? Contact Elsbeth Dowd at 631-323-2480 or director@ohsny.org
